

Assembly Instructions for #84061 Purple Iris Solar Stake

- ① Drop hub with drilled holes into upper pole shaft. Secure top with end cap.

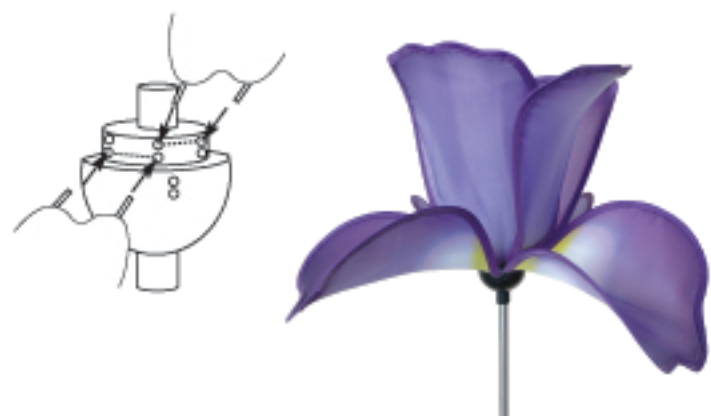

- ② Insert the 3 large size petals with yellow and white shadings into the two lower most rungs of holes on the hub. Place one tab of each petal in the lowest row, and the opposite tab of each petal into the row above so that each petal is fixed at a slight angle. Push hard to secure.

- ④ With all 7 petals now inserted into an upper and lower rungs of holes, you have created a beautiful Iris.

- ③ Insert 2 of the 4 smaller size solid color purple petals horizontally into the middle rung of holes. Insert the other 2 small petals into the top rung of holes. Push hard to secure.

- ⑤ Insert the finished pole into the ground shaft with pointed tip and drive it into soft ground. The Iris adorns your garden during the day and glows in different colors at night!

BE SURE TO CHECK YOUR FACTORY PREINSTALLED BATTERIES to see if they are still working. If not, replace batteries before using the solar stake.
