

# Assembly Instructions for #84066 Blue Orchid Solar Stake

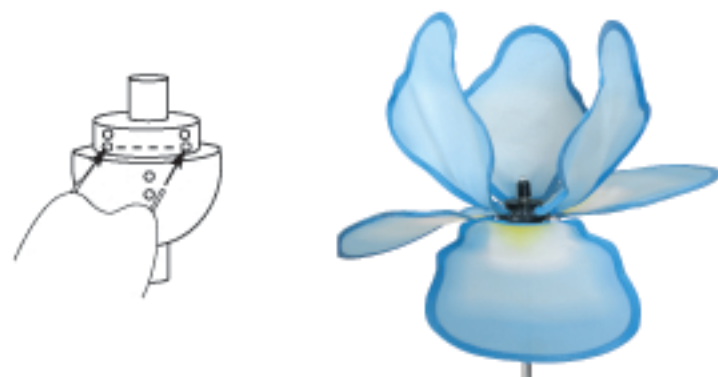

- ① Drop hub with drilled holes into upper pole shaft. Secure top with end cap.

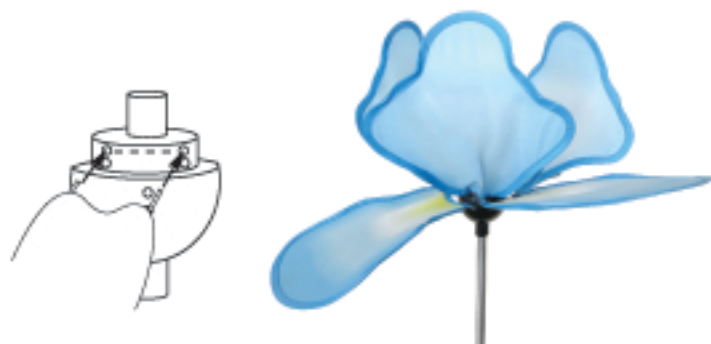

- ② Insert the 3 large size petals with yellow and white shadings into the two lower most rungs of holes on the hub. Place one tab of each petal in the lowest row, and the opposite tab of each petal into the row above so that each petal is fixed at a slight angle. Push hard to secure.

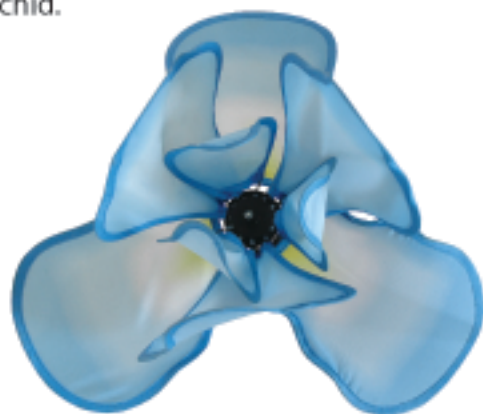

- ③ Insert the 3 medium size solid color blue petals into the middle rung of holes. Push hard to secure.

- ④ Insert the 3 small size solid color blue petals into the uppermost rung of holes. Push hard to secure.

- ⑤ With all 9 petals now inserted into three rungs of holes, you have created a beautiful Orchid.

- ⑥ Insert the finished pole into the ground shaft with pointed tip and drive it into soft ground. The Orchid adorns your garden during the day and glows in different colors at night!

BE SURE TO CHECK YOUR FACTORY PREINSTALLED BATTERIES to see if they are still working. If not, replace batteries before using the solar stake.
